The registrant shall comply with ICANN standards, policies, procedures, and practices for which Afilias has monitoring responsibility in accordance with the Registry Agreement or other arrangement with ICANN; and operational standards, policies, procedures, and practices for .INFO domains established from time to time by Afilias in a non-arbitrary manner and applicable to all registrars, including affiliates of Afilias, and consistent with ICANN's standards, policies, procedures, and practices and Afilias' Registry Agreement with ICANN. Additional or revised Afilias operational standards, policies, procedures, and practices for .INFO domains shall be effective upon thirty days notice by Afilias to Registrar.
